

## Edgar Allan Poe (Canterbury Classics)

Today, Edgar Allan Poe is best known for his rather macabre Gothic writings, but during his lifetime, he was a respected literary critic who, on the side, wrote brilliant short stories and poetry, and developed the modern detective/mystery genre. Countless authors and mystery fans owe Poe a great debt for his contributions to American literature. Canterbury Classics is proud to present the stories and collected works of Edgar Allan Poe in this handsome, leather-bound volume. Fans will discover some of his most famous works, including *The Murders in the Rue Morgue*, *The Purloined Letter*, *The Tell-Tale Heart*, and *The Pit and the Pendulum*, as well as some of his notable poems, including *The Raven* and *Lenore*. These masterpieces get the royal treatment, and are printed on high quality ivory paper with gilded edges.
