

1. Bali & Lombok Travel Reference Map 1:145k/130k

Lombok may not be as well-known as Bali, but both Indonesian islands are prime tourist destinations. This edition includes new inset maps of Denpasar, the main city in Bali, as well as maps of the Kuta-Legan and Sanur beach resort areas, and of the northern city of Singaraja. The Lombok map on the reverse side includes a map of Mataram, the principal city and a special inset showing the three Gili Islands off the west coast, with their dozens of resort hotels.
