

La Cousine Bette (French Edition)

Extrait: Dans le nombre de ces Parisiens accuses d'être si spirituels, il s'en trouve qui se croient infiniment mieux en uniforme que dans leurs habits ordinaires, et qui supposent chez les femmes des goûts assez dépravés pour imaginer quelles seront favorablement impressionnées à l'aspect d'un bonnet à poil et par le harnais militaire. La physionomie de ce capitaine appartenant à la 2^e légion respirait un contentement de lui-même qui faisait resplendir son teint rougeaud et sa figure passablement joufflue. À cette aureole que la richesse acquise dans le commerce met au front des boutiquiers retirés, on devinait l'un des élus de Paris, au moins ancien adjoint de son arrondissement. Aussi, croyez que le ruban de la Légion d'honneur ne manquait pas sur la poitrine, cranement bombée à la prussienne. Campé fièrement dans le coin du milord, cet homme décoré laissait errer son regard sur les passants, qui souvent, à Paris, recueillent ainsi d'agréables sourires adressés à de beaux yeux absents. Le milord arrêta dans la partie de la rue comprise entre la rue de Bellechasse et la rue de Bourgogne, à la porte d'une grande maison nouvellement bâtie sur une portion de la cour d'un vieil hôtel à jardin. On avait respecté l'hôtel, qui demeurait dans sa forme primitive au fond de la cour diminuée de moitié. À la manière seulement dont le capitaine accepta les services du cocher pour descendre du milord, on eut reconnu le quinquagénaire. Il y a des gestes dont la franche lourdeur à toute l'indiscrétion d'un acte de naissance. Le capitaine remit son gant jaune à sa main droite, et, sans rien demander au concierge, se dirigea vers le perron du rez-de-chaussée de l'hôtel d'un air qui disait : Elle est à moi ! Les portiers de Paris ont le coup d'il savant, ils narrent point les gens décorés, vêtus de bleu, à démarche pesante ; enfin ils connaissent les riches. Ce rez-de-chaussée était occupé tout entier par M. le baron Hulot d'Ervy,

commissaire ordonnateur sous la
Republique, ancien i
