

Being a pirate is a dangerous trade but the rewards outweigh the risks. Or so Captain Natalie believes when she captures her nemesis, the privateer Captain Reece. Bound and at her mercy, Natalie thinks she's finally taken the upper hand in the duel with her seductive enemy. After all, there is no denying Reece makes an excellent addition to her bed, especially chained to her headboard. When Reece turns the tables on her, Natalie discovers the cost of her gamble. She struggles to stand strong as Reece seeks to take his vengeance in the most pleasurable of ways. But even pirates have hearts and despite her best efforts, Reece is quickly stealing hers. Their games come to an end, however, when an enemy ship is sighted. Natalie must convince Reece to trust her with the command of their ship and his refusal could cost more than just a broken heart. It could mean all their lives.
