

## The Mill on the Floss (Websters Malay Thesaurus Edition)

Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-Malay thesaurus at the bottom of each page, this edition of *The Mill on the Floss* by George Eliot was edited for three audiences. The first includes Malay-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL® or TOEIC® preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or Malay speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in Malay in order to take foreign service, translation certification, Advanced Placement® (AP®) or similar examinations. By using the Webster's Malay Thesaurus Edition when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in Malay or English.
