

# The Adventures of Huckleberry Finn

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by Mark Twain and published in 1884. It is commonly regarded one of the Great American Novels, and is one of the first major American novels written in the vernacular, characterized by local color regionalism. It is told in the first person by Huckleberry Huck Finn, best friend of Tom Sawyer and narrator of two other Twain novels. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing a Southern antebellum society that was already anachronistic at the time of its publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.
