

Allan Quatermain by H. Rider Haggard (World Cultural Heritage Library)

This Halcyon Classics ebook is the H. Rider Haggards classic African adventure, ALLAN QUATERMAIN (#2 in the Allan Quatermain series). Quatermain has lost his only son and longs to get back into the wilderness. Having persuaded Sir Henry Curtis, Captain John Good, and the Zulu chief Umbopa to accompany him, they set out from the coast of east Africa into the territory of the Masai. While staying with a Scottish missionary, they are attacked by a Masai group, whom they overcome with heroism. They travel by canoe along an underground river to a lake in the kingdom of Zu-Vendis, a warlike white race isolated from other African races. Henry Rider Haggard (1856-1925) was an English writer of adventure novels set predominantly in Africa, and a founder of the Lost World literary genre. Haggard is most famous as the author of the novels KING SOLOMONS MINES and its sequel ALLAN QUATERMAIN, and SHE and its sequel AYESHA, swashbuckling adventure novels set in the context of late 19th century Africa. Hugely popular KING SOLOMONS MINES is one of the best-selling adventure books of all time. This unexpurgated edition contains the complete text, with minor errors and omissions corrected.
