

Blue Horizon (Courtney Family Adventures)

The New York Times bestselling author and one of the greatest adventure writers of our time once again creates a lost era and a truly exciting tale of danger, courage, and suspense. At the close of Wilbur Smith's Monsoon, Tom Courtney and his brother Dorian battled on the high seas. In this spellbinding new novel, the next generation of Courtneys are out to stake their claim in southern Africa, travelling along the infamous Robbers Road. It is a journey both exciting and hazardous, which takes them through the untouched wilderness of a beautiful land filled with warring tribes and wild animals.
