

## Avalovara (Latin American Literature Series)

A modern epic on a grand scale, *Avalovara* is a rich and lyrical novel centered around Abels courtship of three women. He pursues the sophisticated and inaccessible Roos across Europe; falls in love with Cecilia, a carnal, compassionate hermaphrodite; and achieves a tender, erotic alliance with a woman known only by an ideogram. *Avalovara* is an extraordinary novel, both in its depiction of modern life and in its rigorous, puzzlelike structure visually represented by a spiral and a five-word palindrome.
