

Azabache (Spanish Edition)

Black Beauty (Belleza Negra o Azabache) es una novela de 1877 escrita por la autora inglesa Anna Sewell. Fue compuesta en los últimos años de su vida, durante los cuales fue confinada en casa debido a su invalidez. La novela se convirtió en un bestseller inmediato, con Sewell muriendo solo cinco meses después de su publicación, tiempo suficiente para ver a su primera novela convertirse en un éxito. Con cincuenta millones de copias vendidas, Black Beauty es uno de los libros más vendidos de todos los tiempos. Mientras energicamente enseña sobre el bienestar de los animales, también expone cómo tratar a la gente con amabilidad, simpatía y respeto.
