

Black Beauty

New York: Hurst & Co., (no date, but circa 1903). An apparently very scarce early reprint by Hurst, with the cover showing the title Arlington Edition and 254 numbered pages instead of the first edition standard 237. 12mo, medium blue boards with black imprinting and decoration on the cover and black and gilt imprinting and decoration on the spine (please see scans), 254 pp. Good only; dark stains on both covers, substantial spine darkening, front hinge cracked, and copyright page missing. An oddity for the title - a worn but cute one. L-29
