

Black Pearl Anthology: v.2 (Vol 2)

These are the unashamedly erotic memoirs of Viscount Horby, notorious 19th century rake, philanderer and Sex-Magician. Along with his sinister colleagues, Frank Harris and Aleister Crowley, he trawled the underbelly of Victorian society for the beautiful, the brazen and the lascivious to further his path towards sexual enlightenment. The Black Pearl tells of the darkest reaches of depravity and the sexual occult in a supposedly respectable society. It explores, excites...and shocks.
