

Bluewater Vengeance (Bluewater Thrillers Book 2)

Dani Berger is at loose ends after her rescue from a human trafficking ring. Still angry from her brush with fate, she's trying to figure out the next step in her life. She greets the world with a chip on her shoulder until she meets another young woman with whom she has some common ground. Both looking for their way, both in love with the Caribbean islands, they buy a yacht and go into the luxury charter business. When Dani's former captor seeks revenge for the losses caused by her rescue, the idyllic world of yachting becomes a dangerous place, not just for Dani and her friend, but for anyone foolish enough to get in the way. Watch what happens as a criminal bent on revenge comes face to face with a victim seeking vengeance of her own.
