

Lost Guides Bali (Travel Guide): A Stylish, Unique and Offbeat Travel Guide to Bali

Lost Guides - Bali: a unique, stylish and offbeat travel guide to Bali. From Secret beaches, boutique retreats, gorgeous villas, cool cafes, foodie favourites, surf spots, traditional artisans - here's your guide to the best of Bali. What: An A5, full colour 144 page soft cover book filled with tried and tested travel recommendations for Bali, illustrated with original photography. Where: Focusing on five happening neighbourhoods - Bukit Peninsula, Seminyak, Canggu, Ubud and Nusa Lembongan, the book contains highly curated recommendations for the stylish nomad gathered from extensive experience and a network of locals in the know including chefs, fashion designers, architects, surfers and photographers. Bukit Peninsula: you might be led to a secret beach reached only by climbing down 500 steps, or a cliffside surf shack right on a surf break. Seminyak: you'll find out the hottest restaurants and best homeware store down side streets. Canggu: you'll know where all the hip and happening kids get high on caffeine as well as bustling beach hangouts. Ubud: why not try a yoga studio overlooking volcanoes, or discover the work of a master mask maker. Nusa Lembongan: find stunning beaches and sunset scenes. Practical, useful but also beautiful, the book is organised into neighbourhoods with bespoke illustrated maps and original photography to give you all the information that you need. Who should buy this book? Lost Guides - Bali has been created for today's traveller - the stylish nomad with an interest in experience rather than expense and an eye for quality, design and authenticity. It is for those that don't require over-the-top luxury, nor have the budget of a backpacker - but are in search of those special places in-between.
