

Micromegas: And Other Stories

A classic Enlightenment tale accompanied by 18 other pieces, including Platos Dream and Memnonall in a new translation Micromegas is a 650-year-old, 39-kilometer-high giant from the planet Sirius who can speak 1,000 languages and has been expelled from his homeland for writing a heretical tract. On Saturn he befriends the local secretary of the Academy of Sciences a comparative dwarf, being only two kilometers high and the two decide to travel to earth together, where they will make startling discoveries about human nature.
