

Cain / Cain (Spanish Edition)

?Que diablo de Dios es este que, para enaltecer a Abel, desprecia a Cain? Si en el evangelio según Jesucristo José Saramago nos dio su visión del Nuevo Testamento, en Cain regresa a los primeros libros de la Biblia. En un itinerario heterodoxo, recorre ciudades decadentes y establos, palacios de tiranos y campos de batalla de la mano de los principales protagonistas del Antiguo Testamento, imprimiéndole la música y el humor refinado que caracterizan su obra. Cain pone de manifiesto lo que hay de moderno y sorprendente en la prosa de Saramago: la capacidad de hacer nueva una historia que se conoce de principio a fin. Un irónico y mordaz recorrido en el que el lector asiste a una guerra secular, y en cierto modo, involuntaria, entre el creador y su criatura.
