

The Call of the Wild

The Call of the Wild is the story of Buck, a dog stolen from his home and thrown into the merciless life of the Klondike to endure hardship, bitter cold and the savage lawlessness of men and dogs. WHITE FANG tells of the adventures of an animal, part dog, part wolf, turned vicious by cruel abuse, then transformed through the patience and affection of one man. Jack Londons superb ability as a storyteller and his deep understanding of nature and animals have made these among the worlds most famous dog stories.
