

Mystery Mile

A VINTAGE MURDER MYSTERY Agatha Christie called her a shining light. Have you discovered Margery Allingham, the true queen of the classic murder mystery? Judge Crowdy Lobbett is a man of justice, an upstanding pillar of American society. And now he has a man in deadly peril, tailed across the Atlantic by the ruthless Simister gang. Luckily for Judge Lobbett, however, he makes the acquaintance of one Albert Campion during his voyage to England. The enigmatic amateur sleuth bundles the Judge off to the country house of Mystery Mile, where it's a race against time to keep the Simister posse at bay - and to pinpoint the identity of the mastermind behind their criminal empire... As urbane as Lord Wimsey as ingenious as Poirot Meet one of crime fiction's Great Detectives, Mr Albert Campion.
