

The Moving Picture Girls at Oak Farm

All aboard for Oak Farm! Are we all here; nobody missing? What a relief to get out of the hot city, with summer coming on! Yes, Im so glad we can go! These were only a few of the expressions that came from a motley assemblage of persons as they stood in a train shed in Hoboken, one June morning. Motley indeed was the gathering, and more than one traveler paused to give a second look at the little group. Perhaps a brief list of them may not be out of place.
