

Cincinnati Haunted Handbook

The first book in the new Haunted Handbook line within the popular Americas Haunted Road Trip series, Cincinnati Haunted Handbook offers a plethora of eerie spots in the Queen City. Each of the places in Cincinnati Haunted Handbook is presented in a two-page spread that includes directions, a brief history, details about the paranormal activity, and advice on seeing it in person. Sites are organized into sections, including schoolhouses, roads and bridges, hotels and inns, and others. From the winding curves of the spooky Buffalo Ridge Road to the ghost of Music Hall, from the moans heard by the Miamitown bridge to the wispy form that flits through Spring Grove Cemetery, this book offers creepy hideaways that even Cincinnati natives don't know about. Equally suitable as a travel guide or as a diverting read for casual dipping, Cincinnati Haunted Handbook sorts out what creeps and crawls in the Ohio night.
