

Speaking Of Portland: A Guide to the Usual and Unusual

Informed by on-the-ground research, Herb Lester's handy, folded guides uncover what makes a city special - its most distinctive shops, restaurants, cafes, bars, museums and galleries, whether unmissable old favourites, exciting new arrivals or overlooked treasures. Each entry comes with its own brief description, and a basic map helps the reader get their bearings and make plans. Nestled in the damp, verdant and wildly beautiful Pacific Northwest, Portland has it all - nature, a thriving food and drink scene, and plenty of small businesses. In 34 entries the guide reveals the best of the city and its restaurants, food trucks, coffee shops and bars, museums, bookshops and outdoor goods. We've even included an amusement park. Printed on a single sheet of 100% recycled paper, these light, portable guides are an ideal travelling companion.
