

citystretch

CITYSTRETCH is the first comprehensive guide that navigates readers through the vast and diverse New York City yoga scene. Based on authors actual experiences and packed with insightful, witty, descriptive observations that paint a detailed picture of each yoga studio and its complementing services. Reviews set the scene for what yogis will see, smell, feel and experience inside each unique center. CITYSTRETCH includes details on services offered at each studio/ fitness center, pricing, maps and subway information. The book provides over \$500 in free classes at some of New York Citys top-tiered studios. Written by a top NYC yoga instructor and a hard-core yogi discouraged by the lack of resources to explore the many NYC yoga studios. CITYSTRETCH helps readers maneuver through the maze of yoga options and provides the millions of yogis, from seasoned fanatics to pure beginners with a way to tap into hundreds of possibilities available while eliminating the guesswork and frustration encountered through trial and error. Why limit yourself to only one practicing center in a city where the options are endless?
