

Israel Potter: Fifty Years of Exile (Classic Reprint)

Excerpt from Israel Potter: Fifty Years of Exile

Shortly after his return in infirm old age to his native land, a little narrative of his adventures, forlornly published on sleazy gray paper, appeared among the pedlars, written, probably, not by himself, but taken down from his lips by another. But like the crutch-marks of the cripple by the Beautiful Gate, this blurred record is now out of print. From a tattered copy, rescued by the merest chance from the rag-pickers, the present account has been drawn, which, with the exception of some expansions, and additions of historic and personal details, and one or two shiftings of scene, may, perhaps, be not unfitly regarded something in the light of a dilapidated old tombstone retouched. Well aware that in your Highnesss eyes the merit of the story must be in its general fidelity to the main drift of the original narrative, I forbore anywhere to mitigate the hard fortunes of my hero; and particularly towards the end, though sorely tempted, durst not substitute for the allotment of Providence any artistic recompense of poetical justice; so that no one can complain of the gloom of my closing chapters more profoundly than myself. Such is the work, and such the man, that I have the honour to present to your Highness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
