

Sherlock Holmes - The Sign of the Four (Volume 2)

Sherlock Holmes is bored, which is seldom a good thing. His mood is lifted when a young woman visits him, seeking his help. Four years after the disappearance of her father, she has begun to receive expensive gifts from an unknown benefactor. After six years, he requests a meeting. Agreeing to investigate, Holmes and Watson find themselves involved in a deadly hunt for stolen Indian treasure, political rebellion and a pact made by four convicts. Join us for the second classic adventure of Arthur Conan Doyle's great detective, Sherlock Holmes.
