

Cousin Henry by acclaimed novelist Anthony Trollope is a superb novel with considerable merits. In addition to being filled with suspense, Cousin Henry has been called the most psychologically probing of Trollope's works; indeed, Trollope himself thought it to be so and was very proud of it. The plot, in brief, and without giving anything away, is this: Cousin Henry is the heir of the Squire of Llanfeare--according to the will everyone knows about. But Henry knows of another, later, will, that disinherits him. Most of the book concerns Cousin Henry's agonizing over whether or not to make this will public. There is also another plot thread, concerning the Squire's daughter, Isabel, who can only marry if her husband is willing to take her last name (shades of Cecilia). Cousin Henry is one of Trollope's best novels, and well worth the read.

Jane Eyre (Illustrated): J. Eyre, The Beauty of Amalfi. An Italian tale., The three musketeers, The Life and Adventures of Robinson Crusoe ... With twelve illustrations by Thomas Stothard, etc., The history of Henry Esmond, Esq: a colonel in the service of Her Majesty Queen Anne, The Bobbsey Twins by Laura Lee Hope, Ardesa, The Scarlet Letter, Tarzan the Terrible,
