

David Copperfield

David Copperfield, is the eighth novel by Charles Dickens. The novels full title is, The Personal History, Adventures, Experience and Observation of David Copperfield the Younger of Blunderstone Rookery It was first published as a serial in 1849, and as a book in 1850. Many elements of the novel follow events in Dickens own life, and it is probably the most autobiographical of his novels. In the preface to the 1867 edition, Dickens wrote, like many fond parents, I have in my heart of hearts a favourite child. And his name is David Copperfield.
