

PDXcentric: An Odyssey of Portland Oddities

PDXcentric: An Odyssey of Portland Oddities is a guidebook to oddities, eccentricities and many other things that help Portland live up to its weird reputation. This is not a mainstream travel book filled with hotels, restaurants and tourist spots. What PDXcentric contains are locals-knowledge spots all over the city. This is a feet on the ground--- walk around and explore the city kind of guide. Expect plenty of history presented in a playful and engaging manor, written by actual Portland locals.
