

EMMA

EXCEPTIONAL UNABRIDGED
EDITION

Immerse in an enthralling romance you will never forget! Jane Austen (1775-1817) was an English novelist whose works of romantic fiction, set among the landed gentry, earned her a place as one of the most widely read writers in English literature. Her realism, biting irony and social commentary as well as her acclaimed plots have gained her historical importance. Beautiful, clever, spoiled, headstrong - and single - Emma Woodhouse is perfectly content with her life and sees no need for either love or marriage. Nothing, however, delights her more than interfering in the romantic lives of others. But when she ignores the warnings of her good friend Mr. Knightley and attempts to arrange a suitable match for her protegee Harriet Smith, her carefully laid plans soon unravel and have consequences that she never expected.

Emma, first published in 1815, is a novel about youthful hubris and the perils of misconstrued romance. Jane Austen explores the concerns and difficulties of genteel women living in Georgian-Regency England. With its imperfect but charming heroine and its witty and subtle exploration of relationships, Emma is often seen as Jane Austen's most flawless work. This brilliant novel is a must-read of classic literature and will delight readers of all ages.
