

His Last Bow: (illustrated)

His Last Bow: Some Reminiscences of Sherlock Holmes is a collection of seven previously-published Sherlock Holmes stories by Arthur Conan Doyle. Five of the stories were published in The Strand Magazine between September 1908 and December 1913. The final story, an epilogue about Holmes war service, was first published in Colliers on 22 September 1917 one month before the books premier on 22 October. Some later editions of the collection include The Adventure of the Cardboard Box, which was also collected in The Memoirs of Sherlock Holmes (1894). The Strand published The Adventure of Wistaria Lodge as A Reminiscence of Sherlock Holmes, and divided it into two parts, called The Singular Experience of Mr. John Scott Eccles and The Tiger of San Pedro. Later printings of His Last Bow correct Wistaria to Wisteria. Also, the first US edition adjusts the subtitle to Some Later Reminiscences of Sherlock Holmes.
