

Home Fires in France

Perhaps the first thing which brought our boys to a halt, and a long, long look around them, was the age of the place. Apparently it has the statement is hardly exaggerated always been there. As a matter of historical fact it has been there for more than a thousand years. On hearing that, the American boys always gasped. They were used to the conception of the great age of historical spots, by which they meant cities in which great events have occurred Paris, Rome, Stratford-on-Avon, Granada.
