Edition enrichie (Presentation, biographie, bibliographie et notes) Qui est lenigmatique Mr. W H. a qui sont dedies les Sonnets de Shakespeare parus en 1609 ? La mysterieuse dedicace ecrite alors par limprimeur a fait couler beaucoup dencre, et de multiples hypotheses sont encore de nos jours evoquees. Lorsquil publie cette premiere version du Portrait de Mr. W. H. en 1889, Oscar Wilde se fait lecho de certaines theories existantes, et montre quil connait parfaitement non seulement le contexte elisabethain des Sonnets, mais le texte des etranges poemes ou le grand dramaturge exprime la flamme subtile et passionnee dun amour complexe qui se cache et se deploie au detour dun vers ou dune rime. Reste qua travers ce petit drame a trois personnages noue autour de deux initiales, Wilde fait oeuvre de romancier en mettant lui-meme en scene ses reflexions sur lart du faux et du mensonge, qui preside, selon lui, a toute oeuvre dart. Avec lhypothese de Willie Hughes, si seduisante quon pourrait la prendre pour argent comptant, voire mourir pour la defendre, cest la fiction que constitue Le Portrait de Mr. W. H. qui devient alors maniere de recreer la realite historique, alors meme quelle la cree de toutes pieces. Tant il est vrai que, pour Wilde, la beaute dune theorie vaut a elle seule comme theorie de la beaute.
