

Moby-Dick (Bantam Classics)

No American masterpiece casts quite as awesome a shadow as Melville's monumental *Moby-Dick*. Mad Captain Ahab's quest for the White Whale is a timeless epic—a stirring tragedy of vengeance and obsession, a searing parable about humanity lost in a universe of moral ambiguity. It is the greatest sea story ever told. Far ahead of its own time, *Moby-Dick* was largely misunderstood and unappreciated by Melville's contemporaries. Today, however, it is indisputably a classic. As D.H. Lawrence wrote, *Moby-Dick* commands a stillness in the soul, an awe ... [It is] one of the strangest and most wonderful books in the world.
