

## Wizard of Oz Omnibus [illustrated]

This is the ultimate compilation for Oz fans. This massive ebook contains all 14 of Eltanin Publishings highly acclaimed versions of L. Frank Baums Wizard of Oz series, with ALL of the first edition illustrations (over 1600 of them - each one hand-formatted for kindle, and many of them in color). In addition to the original first editions, extensive new material is included - 14 insightful prefaces by Oz expert J.C. Nusbaum. At the end of the omnibus book is a collection of Oz maps from all of the books, as well as a detailed table of contents for all 14 books, so that you can always get to where you want to go in the Omnibus. Each of the individual ebooks is either \$0.99 or \$1.99 (Amazon forces a certain list price based on file size), so \$5.99 is a bargain. This is a large ebook file (over 100 MB) so please be patient when downloading it.
