

## In Search of Lost Time: Volume 1, Swanns Way (Modern Library Classics) (v. 1)

In Swanns Way, the themes of Prousts masterpiece are introduced, and the narrators childhood in Paris and Combray is recalled, most memorably in the evocation of the famous maternal good-night kiss. The recollection of the narrators love for Swanns daughter Gilberte leads to an account of Swanns passion for Odette and the rise of the nouveaux riches Verdurins. For this authoritative English-language edition, D. J. Enright has revised the late Terence Kilmartins acclaimed reworking of C. K. Scott Moncrieffs translation to take into account the new definitive French editions of A la recherche du temps perdu (the final volume of these new editions was published by the Bibliotheque de la Pleiade in 1989).
