

## 2006 Wyoming (State Wall Maps)

The 2006 edition Wyoming Wall Map by Universal Map measures 64 W x 43 H and has up-to-date cartography at a scale of 1 = 7.2 miles. Printed in color with a markable and washable laminated surface with cities, counties, and populations indexed on the face of the map. Hanging rails are mounted on the top and bottom for ease in mounting. Features color coded counties, a mileage chart between major cities, and the following details: all state highways, all federal highways, secondary roads, cities and towns, major airports, major waterways, state universities, military installations, county populations, state and national parks, points of interest, and ski areas. Railed wall maps can be turned into pull down maps on spring rollers for an additional \$30.
