

Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Dont buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About Jane Eyre by Charlotte Bronte Jane Eyre is a novel by English writer Charlotte Bronte. It was published on 16 October 1847, by Smith, Elder & Co. of London, England, under the pen name Currer Bell. The first American edition was published the following year by Harper & Brothers of New York. Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its title character, including her growth to adulthood and her love for Mr. Rochester, the Byronic master of fictitious Thornfield Hall. In its internalisation of the action—the focus is on the gradual unfolding of Janes moral and spiritual sensibility, and all the events are coloured by a heightened intensity that was previously the domain of poetry—Jane Eyre revolutionised the art of fiction. Charlotte Bronte has been called the first historian of the private consciousness and the literary ancestor of writers like Joyce and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novels exploration of classism, sexuality, religion, and proto-feminism.

A critic in Pall Mall: being extracts from reviews and miscellanies, The Chainbearer Or, The Littlepage Manuscripts, The Golden Age, Red-Letter Days In Applethorpe, Praeterita: Outlines of Scenes and Thoughts, Perhaps Worthy of Memory in My Past Life,
