

Shanghai Story Walks

Step back into Old Shanghai with these scenic and history-laden walks and re-live the opulent lives of its elite. The hopes and dreams of taipans, politicians, actors, spies and dreamers can still be seen in the city's landmarks, grand, gracious and gaudy, as our guide, Yvette Ho Madany, brings the lost city back to life. This book is a great way to rediscover this city's culture and heritage from someone whose family witnessed and experienced it first-hand.
