

## Sheilas Guide to Fast & Easy Java, Indonesia (Sheilas Guides)

Indonesia is the largest island nation in the world, encompassing 17,000+ islands (Wouldnt you like to know who counted them?), each with its own unique culture and a magnet for budget travelers. The Island of Java has: culture, beaches, a string of volcanoes that can be climbed (perhaps youll be lucky enough to see the sunrise on Mount Bromo), National Parks and Yogyakarta, Javas most popular tourist destination and everyones favorite. Java has: Borobudur, one of the greatest Buddhist monuments in Southeast Asia, and the Hindu complex of Prambanan. And dont forget about Indonesias wonderful food. It seems like some people work their entire life to take an Exotic Vacation, when in reality, such a trip can be had for less than taking the family to DisneyWorld. Especially in Indonesia, considered inexpensive by European and American standards (if not downright cheap). Let Travels With Sheila teach you how to Travel the World on a Budget, share exotic locations known only to locals, and most importantly, ease your fears about languages, currencies, personal safety and staying healthy.
