

The Phantom of the Opera - Full Version [Annotated] (Literary Classics Collection Book 9)

The Phantom of the Opera, by Gaston Leroux, is part of the Literary Classics Collection series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of the Literary Classics Collection: - New introductions commissioned from today's top writers and scholars - Biographies of the authors - Chronologies of contemporary historical, biographical, and cultural events - Footnotes and endnotes - Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work - Comments by other famous authors - Study questions to challenge the reader's viewpoints and expectations - Bibliographies for further reading - Indices & Glossaries, when appropriate. All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. The Literary Classics Collection pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works. The story of a man named Erik, an eccentric, physically deformed genius who terrorizes the Opera Garnier in Paris. He builds his home beneath it and takes the love of his life, a beautiful soprano, under his wing.
