

# Villette

Left by harrowing circumstances to fend for herself in the great capital of a foreign country, Lucy Snowe, the narrator and heroine of *Villette*, achieves by degrees an authentic independence from both outer necessity and inward grief. Charlotte Brontë's last novel, published in 1853, has a dramatic force comparable to that of her other masterpiece, *Jane Eyre*, as well as strikingly modern psychological insight and a revolutionary understanding of human loneliness. With an introduction by Lucy Hughes-Hallett.
