

## Beatrix (Collection Folio) (English and French Edition)

Honore Balzac, dit Honore de Balzac (1799-1850) est un romancier, critique littéraire, essayiste, journaliste et écrivain français. Il est considéré comme l'un des plus grands écrivains français dans le domaine du roman réaliste, du roman philosophique et du roman fantastique par Gérard Genette, G. Vannier, le philosophe Alain, et Albert Béguin. Charles Baudelaire voyait en lui un visionnaire. Balzac est cependant difficile à classer dans l'une ou l'autre catégorie, son œuvre couvrant un champ si vaste que les critiques, tant de son siècle que du siècle suivant, passeront beaucoup de temps à lui chercher une étiquette appropriée sans y parvenir. Son œuvre monumentale, *La Comédie Humaine*, cycle cohérent de plusieurs dizaines de romans, nouvelles, contes philosophiques a pour ambition de décrire de façon quasi-exhaustive la société française de son temps ou, selon la formule célèbre, de faire concurrence à l'état-civil. Il n'hésite pas, en pleine Monarchie de Juillet, à afficher ses convictions légitimistes. Autres titres de Balzac comprennent: *Jean-Louis* (1822), *Clotilde de Lusignan* (1822) et *Wann-Chlore* (1826). Il a également écrit *Contes Bruns* (1832) avec Professor Victor Euphémion Philarete Chasles (1798-1873) et Charles Felix Henri Rabou (1803-1870).
