

Marie

Although in my old age I, Allan Quatermain, have taken to writing-after a fashion-never yet have I set down a single word of the tale of my first love and of the adventures that are grouped around her beautiful and tragic history. I suppose this is because it has always seemed to me too holy and far-off a matter-as holy and far-off as is that heaven which holds the splendid spirit of Marie Marais. But now, in my age, that which was far-off draws near again; and at night, in the depths between the stars, sometimes I seem to see the opening doors through which I must pass, and leaning earthwards across their threshold, with outstretched arms and dark and dewy eyes, a shadow long forgotten by all save me-the shadow of Marie Marais.
