

There was once a girl so poor that she had nothing to live on, and wandered about the world asking for charity. One day she arrived at a thatched cottage, and inquired if they could give her any work. The farmer said he wanted a cowherd, as his own had left him, and if the girl liked the place she might take it. So she became a cowherd. One morning she was driving her cows through the meadows when she heard near by a loud groan that almost sounded human. She hastened to the spot from which the noise came, and found it proceeded from a lion who lay stretched upon the ground.
