

## Miss or Mrs? / The Haunted Hotel / The Guilty River

The three novellas gathered here--Miss or Mrs? (1871), The Haunted Hotel (1878), and The Guilty River (1886)--demonstrate Collins's ability to construct a gripping situation and create an atmosphere of mystery and menace. Fast-paced and psychologically absorbing, all proceed through a series of dramatic scenes to a climax that in one case at least is literally explosive. These stories, varied in setting and tone, demonstrate Collins's plot-making skill at its most succinct and intricate. Featuring excellent critical apparatus, this edition also includes Collins's original prefaces. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe.
