

Bluewater Jailbird (Bluewater Thrillers) (Volume 10)

Dani Berger has vanished in St. Lucia. After a trip to Europe, Liz Chirac returns to the charter yacht she owns with Dani and finds it abandoned. The people on the adjacent boat tell Liz that the police picked up Dani from her yacht a few hours before Liz's return. When the police evade Liz's questions, she starts her own investigation with the aid of friends. In her quest, Liz runs afoul of a human trafficking ring that also smuggles terrorists from the Middle East into Miami via the Caribbean islands.
