

Fearless Critic Houston Restaurant Guide (Fearless Critic Guides)

Fearless Critic restaurant guides offer brutally honest reviews from undercover chefs and food nerds dining incognito and are totally supported by user funding rather than paid advertisements. The Fearless Critic is utterly unique in its candor, its rigor, its irreverent lack of deference to the sacred cows, and its devotion to finding a city's best food, wherever it may lie. Each review is a full page long and includes a hearts rating and practical information about the restaurant. The handy reference section lists all restaurants by cuisine, neighborhood, and special features and offers a specific guide for vegetarians. More than just entertaining reads, these are essential references for anyone who eats out. Now back in its fourth edition, the Houston guide is revised and updated to include 50 new restaurants. The book offers reviews and ratings of places to eat in the greater Houston metro area, from taco trucks to power steakhouses, country BBQ to dim sum in Bellaire chinatown.
