

Nostromo/Complete Works/Vol.IX

Nostromo is a 1904 novel by Polish-born British novelist Joseph Conrad, set in the fictitious South American republic of Costaguana. It was originally published serially in two volumes of T.P.s Weekly. In 1998, the Modern Library ranked Nostromo 47th on its list of the 100 best English-language novels of the 20th century. F. Scott Fitzgerald said, I'd rather have written Nostromo than any other novel. [1] [from Wikipedia article]
