

## Notes and queries Volume 23

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1861 Excerpt: ...who had issue & fourth John, who had issue a fifth John, all Knights; this fifth John had issue a sixth John, who was Knight of the Garter et cinctus in Baroniam de Dudley, apud Riding, 18 Hen. VI., which last John had issue Sir Edward (Edmund), Knt., who died in vita patris, and William, Bishop of Durham. Sir Eduard (sic for Edmund) had issue Edward Lord Dudley, Knight of the Garter, &c I have not been able to inspect the will made by John Lord Dudley in 1487, as suggested by P. S. C, but so much of it as is quoted in Shaw throws no light upon this vexed question. He bequeaths his body to be buried in the Priory of St. Jamess, Dudley, and directs a tomb to be placed over his grave. This Priory is now nothing but a picturesque ruin, and as to the monuments, perierunt etiam ruins! Courthope states, in a note to his account of the Dudley Barons, that in 1 Henry VII. Edward Sutton--Was found to be cousin f and coheir of Edward Tiptoft, Earl of Worcester, i. e. son and heir of Edmund de Sutton, by Joyce, daughter of John Lord Tiptoft, and sister of the said Earl, and that he was then ait. 26. Now here Courthope is wrong, for if Edward was (as I believe he was) son of Edmund, he was (in the modern signification of that word), first cousin to Edward Tiptoft, Earl of Worcester, and Joyce was his (Edw. Tiptofts) aunt and not his sister. It will be observed that Erdeswicke gives one more John than Dugdale. Edmondson, also, in his Baron. Gencalog., according to Banks, makes the John K.G. to have been grandson and not son of the preceding Baron, and states that John (father of John, K.G.), ob. v. p. in 1401. Who shall decide when Doctors disagree? t The word Cousin

was certainly a very vague title in former times. So late as the year ...
