

I Bought My Glasses in Kathmandu (and other Travel Stories)

Ryan Biddulph shares yet another slew of wacky travel stories from his trip around the world. Blogging from Paradise has seen spitting cobras in Bali, Jesus Christ lizards in Costa Rica and tap dancing roaches in Thailand. Toss in encounters with monstrously large fruit bats, a naughty school boy in Sri Lanka and the Yellow River in India (yes India not China) and you have another fun, inspiring read in the series. Travel bloggers, digital nomads and anybody who loves a good travel story would find this a entertaining, light read. Blogging from Paradise books have been endorsed by New York Times Best Selling Author Chris Brogan, Tom Joyner Show Producer and O Network Ambassador Nikki Woods and Million Dollar Online Coach Yaro Starak.
