

Oliver Twist

Charles Dickens is arguably the most popular English writer of the 19th century and still one of the most popular writers in history today. *Oliver Twist* is widely considered his finest novel and a classic in every sense of the word. It is my personal favorite... This novel has had many film and television adaptations as well as become a worldwide acclaimed musical play.. *Oliver Twist* is notable for Dickens's unromantic portrayal of criminals and their sordid lives. The book exposed the cruel treatment of the many orphans in London during the Dickensian era.
